

MINT NFT GUIDE: GOT A CRYPTO WALLET?

A few important things.

- Save your secret phrase somewhere safe.
- Link your wallet to the correct marketplace by going through the MintNFT website (you will be prompted to do so).
- Head to our Glossary to find out about additional security measures such as hardware wallets and about your secret phrase.

You can now buy MintNFT art

Go to our Collection page, click on the artwork you would like to purchase and make sure you link your wallet to the marketplace in which the work is listed.
